Company Overview

Al Faris Paper Mill is one of the largest factories of Al Faris Group in the Kingdom of Saud Arabia – Jeddah 3rd Industrial City

The mill was established with a capital of SAR 200m to provide Al Faris Factory for Paper Tissues – Khamis Mushait with sufficient raw materials to achieve the required production, as there are no sufficient factories in the KSA to meet the market's demands of raw materials necessary to produce paper tissues without the need to import them.
