Company Overview

Fine Hygienic Holding is a leading company in the hygiene industry and one of Nuqul Group's companies, founded in 1952 and has grown over the years to become a leading group embracing a number of ventures in the Middle East and North Africa. Fine Hygienic Holding is the sole company that uses SteriPro sterilizing technology, a unique sterilization process that eliminates germs. The company is keen on introducing high quality products in local and international markets.

In September 2017,...
